ALBAE

Marche IGT Rosé
ORGANIC CERTIFIED

Grape: Lacrima, Syrah

Vineyard: Single vineyard from San Marcello (AN)
Elevation 220 meters – 7 years old vines

Soil: calcareous clays and sand

Viticulture: Organic certified with homeopathic practices

Harvest: hand-harvested in small bins

Winemaking: fermentation in stainless steel tanks, short maceration on the skins,

Notes: Elegant rose color, with a scent of violet, rosehip and spices. The wine displays crisp, bright scents of berries with deep layered mineral and pepper notes. This Rosè is enhanced when accompanied by pasta, pizza and light second courses such as white meats or grilled fish.

Why we like it: Rose wines based on Lacrima grapes are quite unusual: we love it for its crispness and balance and the elegance added by Syarah. Gives new life to a traditional varietal
