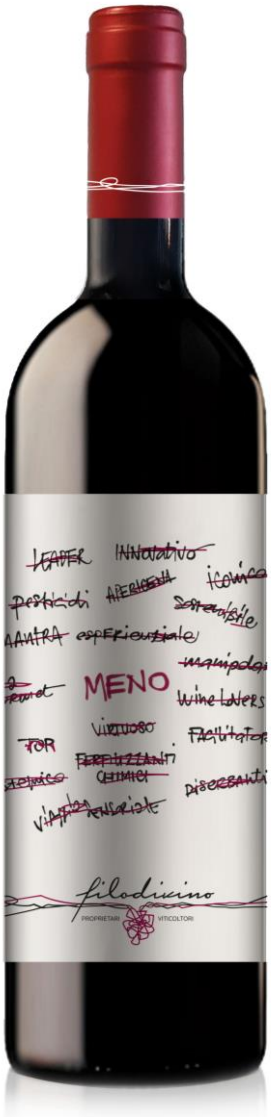
MENO

Marche Rosso IGT
ORGANIC CERTIFIED



Grape: International varietals

Vineyard: located in San Marcello (AN)
Elevation 200-250 meters – 10 years old vines

Soil: calcareous clays and sand

Viticulture: Organic certified

Harvest: hand-harvested in small bins

Winemaking: spontaneous fermentation in conic oak vats (2000 liters), then 3 months in stainless-stell tanks and at least 3 months in the bottle

Notes: “Meno” means “less, fewer”. To create this wine we started from healthy grapes and with the utmost attention we stripped the winemaking process of everything that was not essential. The result is a wine that is pure, direct, full of life and flavour.

Why we like it: Fewer invasive practices, fewer useless concepts, fewer overused words. A wine that represents our way of working both on the label and in its contents

Production: 1500 bottles

Sulphites: less than 40mg/l
